

BRUJX

SUBJECT AREA

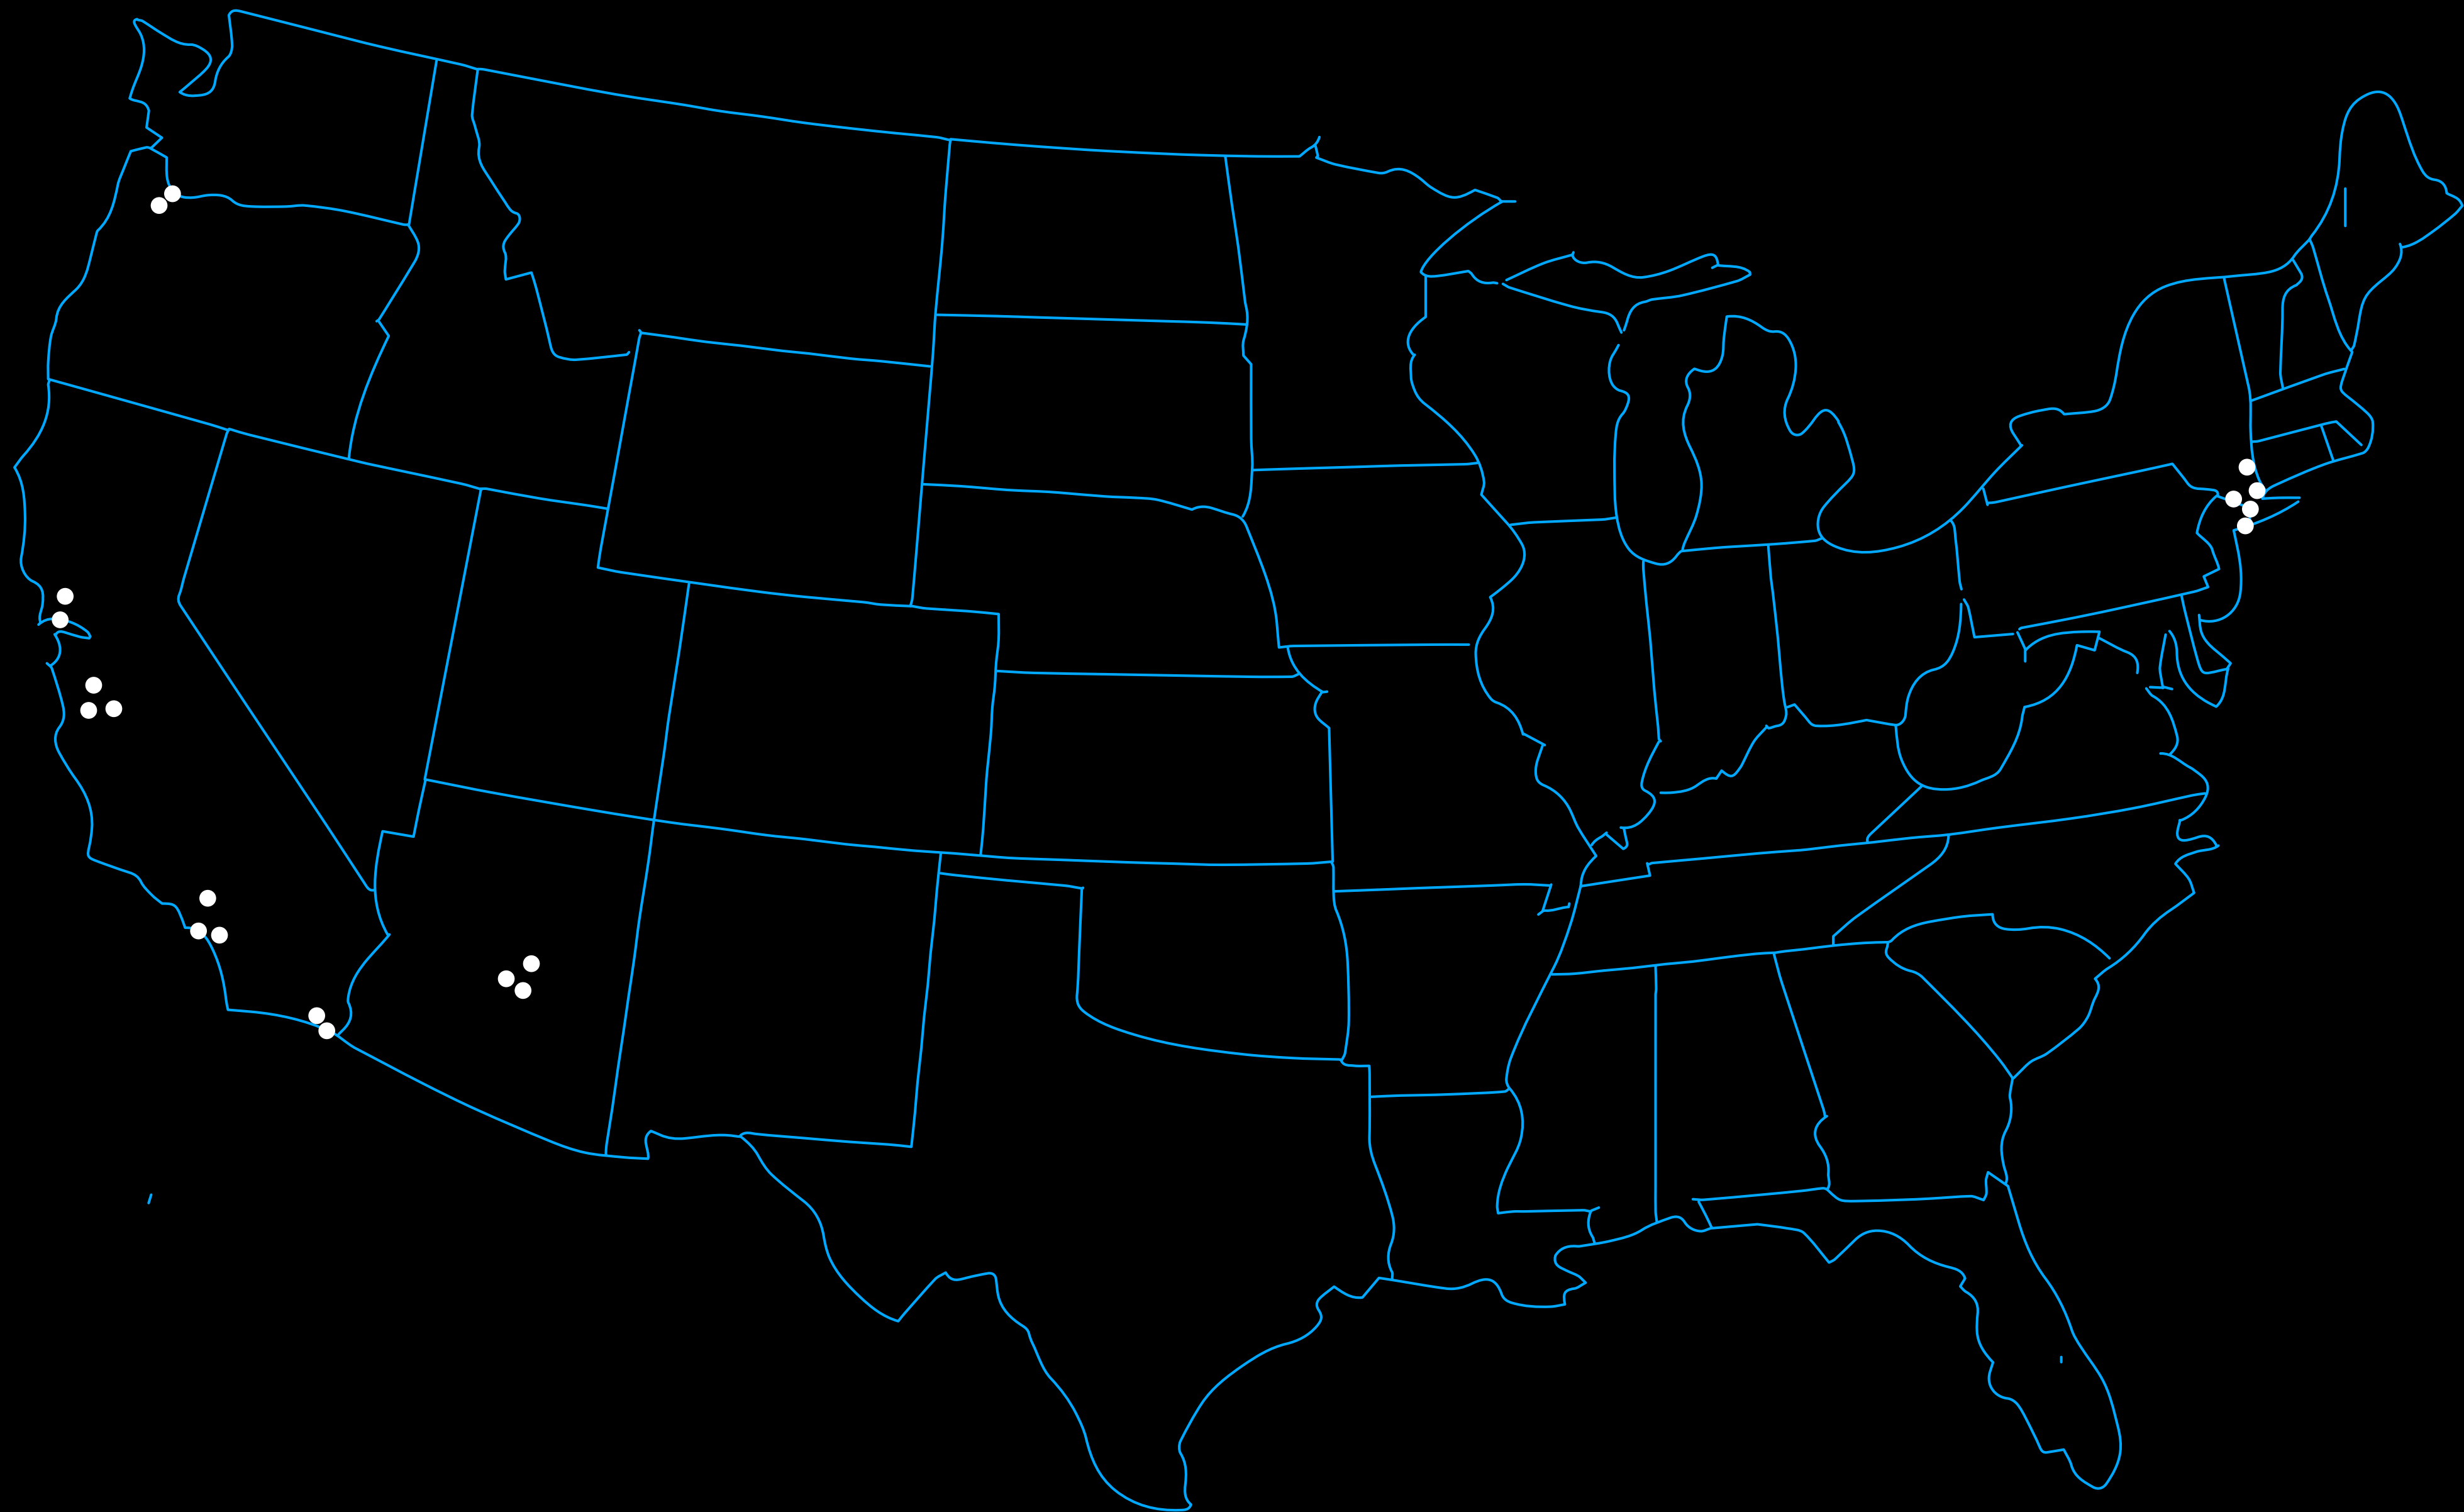

Brujx is spiritual practice that, typically by those of African or Latin descent, and focuses on witchcraft and it's cultural also focuses on activism towards underrepresented identities.

WHO IS INTERESTED?

Those who are interested in this are typically Black and Brown women, but there's a big grow in queer people having a foundation in this. Many are also people that live in urban areas, but there are others in the country to that may have more difficulty in finding community or resources that urban areas can provide.

WHO IS NOT INTERESTED?

People who typically might not be a part those are traditional religion practices like Catholicism and Christianity. White people typically aren't a part of this because the ideals tend to be towards dismantling Euro-Centric ideas. People who believe in strongly in western medicine.
